

RAILHEAD INDUSTRIAL PARK

DATES :

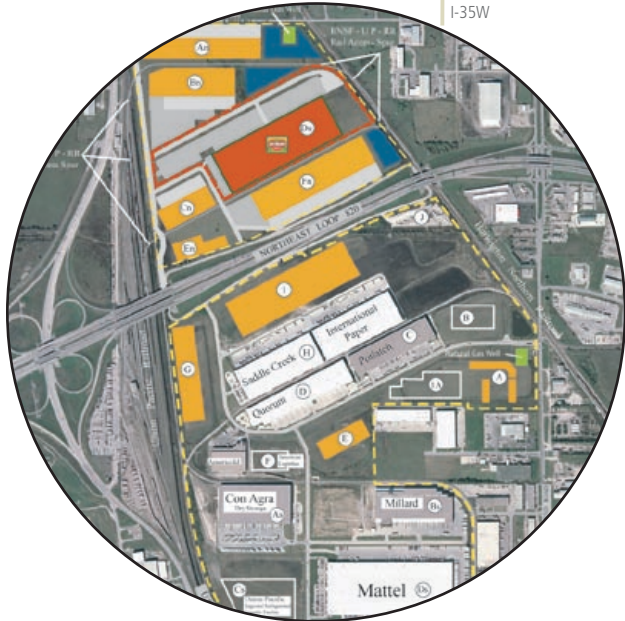

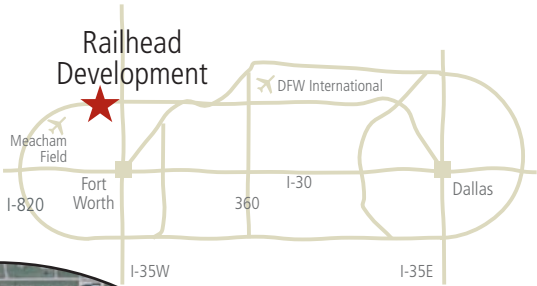

2004 - Acquired
2006 - Land Sold, Minerals Developed/Retained

DESCRIPTION :

630 acre industrial park featuring numerous national and internationally recognized companies, uniquely located to achieve dual-rail service by both major railroad companies.

LOCATION :

Fort Worth, Texas

GOAL :

Purchase and master plan remaining 281 acres of the park, develop infrastructure, sell tracts to large national corporations for major distribution centers with focus on rail transportation; site and drill 4 natural gas wells.
